1. Please provide the information requested below, and attach this sheet to your plans.
2. Please provide a sketch of the location of the proposed work on a photocopy of the plat of your property. Scaled architect's, engineer's or contractor's drawings may be used as an alternative if lot lines, easements and building set-back lines are shown. Sketches are not required for re-roof or re-paint. However, shingle weight and color, or color of paint must be specified (paint chips are ideal).
3. If you desire a copy of the approved plans, please submit an extra set for review. The principal copy of all submitted plans will be retained by the Committee.
4. Your plans will be reviewed as soon as possible. The Committee is required to act on the plans within one month, but the review process rarely takes that long.
